Dear Madam, Dear Sir,
Dear Parents,

Please find below some information about the end of the school year for the Middle School:

Classes will end on Friday June 18th as planned.

On Monday June 21st and Tuesday June 22nd, a special programme will be offered to your children which will replace the end of year school trip which cannot take place due to the health regulations. Sports and mini games are planned depending on the weather.

We regret to inform you that the traditional graduation ceremony at the Temple scheduled for Friday June 25th will not take place. However, the end-of-year prize-giving ceremony will take place at the school on Tuesday June 22nd at 13h15 **in the presence of the children only**.

Please note that our **bus service is guaranteed until Tuesday June 22nd included**.

Regarding our boarding school, students will be welcomed until Saturday June 26th. Then our summer camp in Champéry will be available to welcome boarding students who are awaiting their return flight home.

The extracurricular activities will end on Friday June 18th. Supervision will be organized for the children who wish to stay from 15h00 until 16h15 on Monday June 21st and Tuesday June 22nd.

From all our colleagues, we sincerely wish to thank the parents for the trust that you have placed in l'École Nouvelle throughout this special year.

The children have also been incredible and have proved courage and flexibility regarding the health situation. A big thank you to them !

We wish you all, Dear Parents, a fantastic summer and look forward to finding your children at the end of August for a future, collected and enriching, school year 2021-2022.
