End of school year 2020-2021

Dear Madam, Dear Sir,
Dear Parents,

We regret to inform you that our traditional graduation ceremony at the Temple scheduled at the end of the year will not take place this year in order to respect the health regulations.

For the High School section, the end of the school year will be dedicated to the exams that will take place between **Thursday June 10th and Friday June 18th**.

We would like to take this opportunity to thank you for the trust that you have placed in us throughout the year. Despite some difficult conditions, this school year was a big success and this is mostly due to the seriousness and hard work provided by your children.

We wish you a fantastic summer and we look forward to finding your children for the new school year placed under the sign of a return to normal.
