Re-enrolment for the school year 2022/2023

Dear Sir, Madam,
Dear Parents,

We are gradually approaching the time where the organisation of our classes for the new school year is set into motion.

Enclosed please find the re-enrolment form, which we ask you to kindly complete and return to us **by Friday, 8th April 2022** to secure your child(ren)'s enrolment for 2022/2023.

To ensure that you have all of the necessary information at your disposal, we have also attached a copy of our terms and conditions as well as our school calendar for 2022/2023.

In 2021 our IB and Swiss Maturity diploma cohorts achieved excellent results and we congratulate them once again. It goes without saying that we remain committed to delivering the same high standard of education to each of our students in the years ahead.

English teaching and the English section

From the beginning of the new school year in August 2022, English teaching in the Kindergarten, Montessori, Primary and up to Grade 6 of the Middle School, will be as follows:

- **Kindergarten and Montessori:** 6 periods of 45 minutes of English lessons per week in small groups. These classes will be taught by the English teacher in a separate classroom.
- **Primary:** English lessons will continue to be taught as they have been for many years: 4 periods of 45 minutes per week in small groups (students are divided into two groups for lessons which take place in a separate classroom).
- **Middle School - Grades 5 and 6:** English lessons will continue to be taught in the same manner as they have been for many years: 4 periods of 45 minutes per week with students grouped together according to their level of English; Geography will be taught in English, 2 periods per week.
- **Middle School - Grades 7 and 8 – French section:** English lessons will continue to be taught in the same manner as they have been for many years: 4 periods of 45 minutes per week with students grouped together according to their level of English; Geography will be taught in English, 2 periods per week.
- **Middle School - Grades 7 and 8 – English section:** The English section remains an option in Middle School and will be structured as a mixed-age class, grouping together students from Grades 7 and 8.
