Young learners Cambridge 2022

Dear parents,

For several years now, children at the Ecole Nouvelle de la Suisse Romande have had the opportunity to take the *Cambridge English for Young Learners* test. It is a valuable experience for the children to be challenged in the four skills: listening, speaking, writing and reading. What is more, they all receive a certificate from Cambridge, Great Britain, which is very rewarding for them!

Your child has already had a trial exam in the school and will know whether he or she would like to try the exam. If possible, we would like the children to decide for themselves.

There are three levels and children from the age of 7 can try the level appropriate to them. The exam costs CHF 130.- for the **Starters** level, CHF 140.- for the **Movers** level, CHF 150.- for the **Flyers** level.

Should you decide to enrol your child for the exam, the school will invoice you after the examination, which will take place on **Tuesday 31st May** at school.

If your child wishes to take the exam, please complete the form on the second page and **return it to their English teacher for approval by Monday 4th April**. The names and dates of birth of the applicants must be sent to Cambridge by the school eight weeks before the examination.

Yours sincerely,
