Conditions and information regarding the rates applied

ENSR proposes a personalized door-to-door bus service under optimal conditions.

The **standard rate** is applied to students who register for the entire week (mornings and afternoons), either for all outward trips (5 journeys), or all returns (5 journeys) of the week.

The single journey system has a slightly higher rate per trip – please see the scale below:

Surcharge scale for the single journey system (as a percentage of the full week):

5 outbound or/et 5 returns per week	100%
4 outbound or/et 4 returns per week	90%
3 outbound or/et 3 returns per week	75%
2 outbound or/et 2 returns per week	60%
1 outbound or/et 1 return per week	45%

For example: If you live in Denens and your child takes the bus 5 mornings and 3 afternoons:

mornings: $5 \times 14.15 = 70.75$

afternoons: $(5 \times 14.15) \times 75\% = 53.05$

Total: CHF 123.80 per week

For destinations beyond the areas normally served, a “**special rate**” (to be requested before registration) is applied. This rate will depend on the number of students interested and on the costs incurred by trips to such destinations.

Registration is taken for a minimum of one term. It is automatically renewed for the following quarter, unless a written notice is given before Christmas or the Easter holidays.

- ❖ All changes to the information provided, such as contact person or bus pick up location, are to be communicated to the school in writing.
